

A Nighttime Story: Creative Composing

Check out the *A Nighttime Story* program on The Saint Paul Chamber Orchestra's Concert Library.

This program was the result of a collaboration between composer Jessie Montgomery, playwright Harrison David Rivers, actor H. Adam Harris and The Saint Paul Chamber Orchestra. Harrison David Rivers, the playwright, listened to composer Jessie Montgomery's music to inspire the script and themes of *A Nighttime Story*.

Find a composer on the Concert Library, **LISTEN** to a few examples of their music and **CREATE** your own story to go with excerpts (sections) of the music. Use words, graphic novel format, or pictures to **SHARE** your story as it works with the music you selected.
